

INFANT MASSAGE CERTIFICATION TRAININGS: ROCKY RIVER (CLEVELAND) DUBLIN, OH (COLUMBUS)

Bring the many benefits of Infant Massage to parents and babies!

The program presented by Infant Massage USA® brings **research into practice**. It is the only infant Massage program in the United States that is recognized by health and child development experts as the **highest quality program of its kind** (Underdown & Barlow 2011).

The Infant Massage USA® Program

- Helps babies get off to the best start for healthy growth and development;
- Supports parent's sensitivity to their baby (i.e. the parent's understanding of their baby's behaviors, emotions and cues);
- Encourages parent-baby interactions, and parent's capacity to support their infant's regulation;
- Insures social/emotional development supporting Infant Mental Health
- Provides best practices to insure meeting program performance standards.

Training Topics

- Massage Strokes and Gentle Movements
- Massage adaptations for babies born premature or a baby with special needs.
- Massage adaptations for the growing child
- Benefits of infant massage for babies, families and society
- Infant Behavioral States, Cues and Reflexes
- Influence of Infant Massage on Bonding and Attachment
- Facilitation techniques
- Research supporting evidence-based practice
- Public Relations and Marketing
- Three in class practical teaching experience

Register Today

Send minimum \$100 to hold your space; your contact information: name, address, phone number, email address; and a statement about why you would like to be an infant massage parent educator. Send to: MAC Training and Consulting PO BOX 632, Agoura Hills CA 91376

To Earn Your Certification

- Attend the in-depth four-day training
- Complete a take-home exam.
- Teach five parents to massage their babies in a five week class following the training.
